Messages

GDC Memorial College, Bahal, a unit of HKC Foundation, which was conceived in this rural area of Haryana four years back in the year 2011, symbolizes my dream, ambition and aspirations of younger generation who were deprived of getting quality higher education for the want of facilities in this area. The Management and staff of College are committed to impart quality education in the society for promoting quality education through its various endeavors.

We, at GDC Memorial College are striving to impart education that not only sharpens the intellectual faculty of the student but also inculcates ethical and aesthetic values, thus molding a multifaceted personality that is ready to shoulder responsibilities towards the family, the society and the Nation.

We shape and mould our students to stand tall as world citizens and set examples for those around them. It is our endeavour to provide the right opportunity to our students to help them meet their aspirations and ensure responsible and morally upright professional and personal conduct.

I assure all the parents that at GDC Memorial College your ward will get the best of the infrastructural facilities, caring attention and right academic ambience, which as a parent you had dreamt of for the success and bright future of your ward.

---

Education plays a key role in the overall development of the society. The role of education is definitely not limited to giving and grasping knowledge and theory. The true goal of education transcends much beyond just awarding degree and certificate to the students. As Mahatma Gandhi said, “By Education I mean an all round drawing out of the best in child and man-body, mind and spirit”. The ultimate goal of education is the discovery of the meaning of life and the fulfillment of life and all mankind as well as for oneself. The quest of education is knowledge, humanity, culture, wisdom and sharpness but it should be noted that knowledge is not given but earned and character is not granted but cultivated.

GDC College not only focuses on the theoretical curriculum, but also help in the development of a student's personality, extra-curricular activities and over all perspective. Everything that makes a good institution are - a highly trained faculty, rich library, placement division, teaching methods, liberty to think and express themselves- we have it here. The objective of higher education in rural area is associated with employment as it ensures a positive attitude to see the universe from better angle and to analyze, determine and apply an individual’s ideas in a constructive development of society.

I firmly believe that our GDC Memorial College is more than just a place to learn. It gives you a chance to grow by equipping with everything you need to achieve excellence. We are going to start more PG. Courses in Science & Arts from this session. At GDC College we ensure students get the best start to their future career to become smart and careful citizen of our glorious country, India.

I wish all the students a grand success in their career and prosperity in their future life.
Introduction

In fact, **Gindori Devi Chaughary (GDC) Memorial College** (co-educational), established in the remembrance of Late Smt. Gindori Devi Chaughary beloved mother of Hon’ble Chairman Sh. H.K. Udaan  The Women Cell

The college has introduced a ‘Women's Cell'. Students, especially at the Degree level are earnestly exhorted to take an active part in the activities of the cell. The cell endeavors to alleviate the negative forces that confront women, both on the campus and in the city life. The Women's Cell handles issues related to women's welfare. The cell provides information regarding problems faced by girls and makes available possible solutions to them.

Awasar

The college has established this cell with a view to help students to get useful and systematic guidance on careers open to them in their respective field of studies. The Career Guidance Committee members chalk out various enrichment programmes as well as conduct coaching classes in order to train the students to perform better in various competitive examinations.

Internal Quality Assurance Cell (IQAC)

The college has an Internal Quality Assurance Cell which plans and evaluates time to time as to how to make optimum utilization of the resources and the infrastructure available with the college in the best interests of students.

Aagaaz

Aagaaz is a symbolic and specific selected name adopted by the college as a platform through which the coming new students will have an opportunity to make an exposure to their talents in cultural and academic fields. With this objective in view the college organizes Aagaaz in the beginning of the academic session.

Vimarsh

Vimarsh is a symbolic and composite term devised, chosen & adopted by the college as a common platform like a prism out of which multi-colored beams of light emit. It is a prism like platform through which the college will make and establish its personal identity, expression, and recognition in every walk of life through various academic competitions to be held from time to time.
Nepathya

*Nepathya*, a platform for creative activities brings out the hidden talent of the students. They perform in the activities beyond curriculum which is necessary for the overall development of their personality.

Exhibition  An Insight into New Awakenings…

An Exhibition in itself is an effective and successful medium through which the younger generation may find an opportunity and a way out to give a spontaneous exposure to their talents, creativities, curiosities, latent potentialities and capabilities etc., so that, they may become conscious of their abilities learning the art of better living. With this objective in view the college has organized several Exhibitions to show their scientific, artistic and talents in local art and craft.

Nishabd

*Nishabd* is again a name devised and chosen by the college for its wall magazine programmes through which the students may give an exposure to their ambitions, thoughts, images, subjectivities, themes and perceptions on various topics etc. with the help of pictures, writings, thematic pictures and sketches etc.

College Magazine

Every year the college publishes their yearly college magazine in which students can give their original articles, poems, stories or social satires. It enables them to express their feelings through words.

Jhankar Beats

The platform *Jhankar Beats* enable the students in presenting their culture. They can take part in cultural activities through this platform in various functions and celebrations organized by college. The students represented the college during the Gramin Khel Mahotsava and performed various cultural programmes during college functions.

6. The college supports Eco-Friendly Environment and also believes in Green World so the college organizes the tree plantation programme time to time not only in college but in the surrounding area also.

Unique Features

Library Book Bank Facility
The college provides Library Book Bank facility on nominal charges to all the students. The books will be provided for all the six semesters of their graduation course i.e. B.A., B.Sc., and B.Com.

Question Paper Bank
The College library is maintaining a University Question Papers Bank (last years' question papers of M.D.U. subject wise) for perusal and guidance of the students and making preparations on the same pattern for the University Examinations.

Educational Tour
For an overall development of the young students; Educational, Historical and Industrial tours are organized every year under the patronage of senior teachers.

NSS
The College has already approached the University for Grant of at least two units of NSS and approval all is expected to be received very shortly.

Sports
"All work and no play make Tom a dull boy". Accordingly the college has all sports facilities both for boys and girls to sharpen and strengthen their potentialities, sportive zeal and flair. The students from our college have been selected for International Yoga Competition and won 1st position in National Level Judo Championship.

NCC
Massive efforts are already in progress for having one unit of NCC each for Boys and Girls separately. It is expected that NCC units will get started right from current session.
